

## Commerce Parcel Post Overprints

To certify that the parcel post tax had been paid, 10-centime Commerce stamps were overprinted by typography at Hanoi in 1891. Also, overprints were applied with a handstamp. The dimensions of the two overprints differed.

## Color shades for Machine Overprint

Ink color of the machine overprints varied from carmine to red.

"SPECIMEN" Overprint

In accordance with Universal Postal Union rules, samples of three hand overprints were distributed to member countries. In this case the samples were pasted into a record book and handstamped 'SPECIMEN' with blue ink.
